Attn: Victor Batson

Dear Victor:

Please find enclosed corrected items as requested on the Notice Of Non-Compliant dated June 15, 2006, for application number 10/631,383 title of Invention: Mobile Grave Excavator, showing paragraph (E) referring back to the first Office Action mailed 3/02/05 . I want to take this time to thank you for assisting Mr. Cole and myself in preparing this patent accurately. As mentioned before we both have had severe illness set backs, and with the overwhelming response this patent has been generating it would devastate us to lose this patent.

If you have any questions you can email me at pbs87@sbcglobal.net, fax at 317-831-3787, or my cell phone at 317-627-1124, or my assistance phone Carol Wheasler as noted below. Thank you for your time and patient with my patent.

Sincerely,

William R. Cole
